

# HAMMOND COMPREHENSIVE MASTER PLAN

2009

YOUR CITY  
YOUR VISION  
YOUR FUTURE

1. Do you live or work in incorporated Hammond? (Please underline)

Live                  Work                  Neither

If so, for how long?

2. Were you at the charrette in December? If so, of the ideas you heard, which ones seem most promising to you?

3. What uses do you feel should be added to Hammond in the future and where? For example, types of businesses, shops, housing types, open spaces, government services, etc.)?

4. What character should the City pursue in the long-term future?
