

PROJECT

Add more aeration and a new pond with 8 million gallon per day capacity, positioning Hammond for current and future growth and ensuring compliance.

FINANCING

- \$2.1 million cost
- Clean Water State Revolving Loan Fund
- 20 year term (up to 22 years)
- 0.95% interest rate fixed
- Only pay on what you draw down
- Pay through current sewer revenue

ELECTION

Citywide on November 16, 2019

YES = take out the “loan” of \$2.1 million in sewer revenue bonds

NO = don’t take out the loan/sewer revenue bonds
