1. RATE OF TAX

The rate of tax is determined from the total retail stores operated under the same general management, supervision, ownership or control, and all stores enjoying the benefit of centralized purchasing, advertising or warehousing, wherever located, including the stores covered by this report. Refer to License Tax Schedule above.

2. MEASURE OF TAX

The measure, or the amount of tax due the City of Hammond is determined by applying the rate of tax to the total retail stores in Hammond.

3. EXAMPLE

If an operator of a total of 36 retail stores located in Texas, New York, Alabama and Louisiana, operates 5 stores in Hammond the amount of chain store tax would be computed as follows: The license tax schedule above shows that the rate of tax on a chain of between 35 and 50 stores is \$20.00 per Hammond store. Therefore, the amount of tax due would be 5 Hammond stores at \$20.00 each or a total of \$100.00.

4. INTEREST AND PENALTY

If return is not filed and the tax paid before March First each year, there will be added to the tax interest at the rate of 12% per annum until paid and penalty at the rate of 5% for each thirty days or fraction thereof of delinquency not to exceed 25% in the aggregate.

5. NEW STORES OPENED DURING TAXABLE YEAR

The rate of tax for stores opened in Hammond after January 1st shall be the same as though the new stores were added to the number in operation on January 1st.

If a store is opened in Hammond after June 30th of any year, the rate applicable to such store for the first year shall be one-half of the rate determined as hereinabove provided.

This report must be made to the City Tax Collector, Hammond, Louisiana. The remittance to cover the tax evidenced by this report must be mailed to the City Tax Collector, P.O. Box 2788, Hammond, LA 70404-2788 before March 1st
