The Proposer also agrees to keep informed of and comply with all federal, State, and local laws, ordinances, and regulations which affect the Proposer's employees or prospective employees.

Request for Qualifications for Hammond Northshore Regional Airport Runway 18/36 Pavement Assessment and Preliminary Engineering Report (PER)

- Notice is hereby given that the City of Hammond is requesting submittal of qualifications from engineering firms interested in performing a Preliminary Engineering Study for the assessment of the pavement associated with runway 18/36 and adjacent surfaces. This project could include, but may not be limited to:
 - **Runway surface and subsurface investigation and studies, surveying and assessment**
 - **Development of potential courses of action and alternatives, ranging from preservation of pavement to full depth reconstruction, if required**
 - **Development of cost estimates of potential courses of action and alternatives, if required**
 - **Providing preliminary design drawings of action chosen by the City of Hammond, if required**
- **SCOPE OF PROJECT:** The proposed project at the Hammond Northshore Regional Airport will be performed as funds become available.
- **SCOPE OF SERVICES:** The scope of services could include planning, topographic surveys and preliminary investigations; preparation of preliminary construction plans, specifications, cost estimates and other special services.
- **GENERAL:** Firms interested in performing these services shall furnish statements of qualifications on Standard Form 330 no later than the suspense time and date listed below. Interested firms may obtain Form 330 from the Hammond Northshore Regional Airport, LADOTD-Aviation or online. The City of Hammond will use the following criteria in evaluating responses:
 - Experience of firm
 - Experience of key staff personnel
 - Past performance on similar projects
 - Firm's current work load
 - Knowledge of FAA/Southwest Region and LA DOTD/Aviation grant procedures, regulations and policies

- The City of Hammond will evaluate each submission in all of the above five areas, with 1 being the lowest possible score and 5 being the highest.
- Following the final evaluation of qualified applicants, The City of Hammond will place the applicants in a final ranking based on qualifications. The City of Hammond will then enter fee negotiations with the top-ranked firm for the contract, with the unsuccessful firms being notified accordingly. Should these negotiations be unsuccessful, The City of Hammond shall enter negotiations with the next-highest ranked firm, and so on. The City of Hammond reserves the right to reject all applicants.
- **The successful firm will be required to execute a standard contract. The statement of qualifications Form 330 shall be mailed or delivered to the City of Hammond Purchasing Department, 310 E. Charles St., Hammond, Louisiana 70401, no later than 10:00 AM, Friday, January 29, 2021.**
- Questions regarding this project should be addressed to David Lobue, Airport Director. Phone (985) 277-5667. Firms wishing to apply must submit a fully completed SF330 Form. Failure to provide all information requested could result in the submission being considered non-responsive and the firm not being given a final score in the evaluation process.
